

Maternity care calendar [for professionals]

<https://libraries.phsa.ca/permalink/catalog110531>

Grzybowski, Stefan, Kirkham, Colleen. Vancouver, BC: BC Children's Hospital and Health Centre , 2003. (Other)

Audience: Professional

Agency: BC Children's and Women's

“ A tool to help prenatal care clinicians serve, educate, and plan with their patients engineered for accurate gestational period measurement. Shows likelihood of delivery around dates of confinement. The calendar is based on extensive evidence-based maternity care guidelines. When set to a patient's...
