“ A guide that explains that a person with cystic fibrosis and diabetes has a unique type of diabetes (CFRD) and that the diagnosis and treatment for this type is not the same as the treatment for other types of diabetes. It offers information on tests used to diagnose CFRD, nutrition, exercise and r...

Starbright fitting CF into your life everyday

<https://libraries.phsa.ca/permalink/catalog106513>

Starbright Foundation. Los Angeles, CA: Starbright Foundation , 2001. (CD, Audio) — 1 copy, [1 available](#)

Audience: Patient or Public
Agency: BC Children's and Women's
Location: Family Support & Resource Centre
Call Number: JUNIOR FA 850 STA 2001

“ Developed for teens and pre-teens, ages 10 to 15, with cystic fibrosis as they begin to take on more responsibility for managing their disease. The program was designed to help teens better understand core CF management principles, and features animated depictions of the lungs and digestive system ...
